## **The IQ Business Group wins Rising Star America's Award**

Orlando, FL – The IQ Business Group was Open Text's 2011 award winner of their Rising Star America's Award. The award was received at the Content World Conference held in Orlando, FL.

The Rising Star award is awarded to a first-year partner who produced the most revenue from any of the categories listed. The award is also based on the quality of business that the recipient has provided to Open Text and their joint customers.

### About IQBG:

**The IQ Business Group** is a provider of business transformation, technology and outsourcing solutions for the financial services, public sector and healthcare industries. For more than 10 years, the Group has applied industry intelligence with technology to help customers become more competitive, efficient and profitable.
